Dear Mary and P&Z Commissioners,

I hope you are all well. I'm writing to encourage you to support placement of sculptor Kevin Box's Rock Paper Scissors Sculpture at 20 Jesup Green by the Library. As a member of both the Board of Education and WestPac, I cherish our art collection and appreciate so much all the art in our schools. But I'd love for more people to be able to enjoy our treasures, and that prominent location is perfect for Westporters and visitors alike. Our Library is a cultural, intellectual, and creative hub and it deserves beautiful and significant art. I believe the sculpture will become a notable yet playful landmark.

Thank you for all your hard work and dedication to our town.

Warmly, Lee
Westport Arts Advisory Committee
